With breathtaking views of Clew Bay and Croagh Patrick, exceptional cuisine and fine wine, a dedicated wedding planner, and our exclusive 'one wedding a day' promise, our hotel is the perfect setting for your unforgettable day.

Stunning Setting

The Grace is a place apart, where thoughtful design and natural surroundings create a distinct sense of welcome. With splendid gardens and views that open gently across the estate, the hotel brings a quiet charm to each part of the celebration.

Just a short stroll from the vibrant heart of Westport Town, the location balances seclusion with connection, offering an atmosphere that feels both relaxed and refined. Whether gathering indoors or out, guests are met with Irish warmth and a sense of ease that carries through every moment.

Elegance in Every Detail

At The Grace, a wedding is more than a milestone: it is a curated event shaped with intention and care. Shaped by Irish heritage and modern artistry, our estate provides a backdrop where genuine connection and beauty go hand in hand.

Our team brings quiet expertise to every stage. From your ceremony to your final toast, we work behind the scenes to ensure everything flows with ease, allowing you to be fully present for the moments that matter most.

We take time to understand your vision, your preferences, and what will make your celebration feel truly unique. Whether you imagine a lively gathering or an intimate exchange of vows, we tailor each detail to suit the rhythm and atmosphere you envision.

The result is not only a beautiful occasion; it is a celebration that feels natural, meaningful, and unmistakably yours.

The Art of Dining

Exceptional food is central to everything we do. Under the guidance of Martin O'Donnell, Executive Head Chef, our menus showcase creativity, seasonality, and care.

Rooted in sustainability and local sourcing, each dish is a celebration of the West of Ireland, made with the finest regional ingredients and presented with sophistication.

The result is a dining experience that goes beyond tradition, designed to inspire, delight, and accommodate a range of tastes.

The Grace Kelly Suite

Inspired by the timeless elegance of Grace Kelly, whose legacy is closely tied to Westport Estate and County Mayo, The Grace Ballroom is the heart of our celebration spaces.

Chandeliers, floor-to-ceiling windows, and sweeping woodland views create a bright, opulent space for toasting, dining, and dancing. The adjoining Garden Terrace offers a seamless extension for outdoor moments throughout the day.

Whether hosting an intimate ceremony or a larger reception, The Grace offers a variety of beautifully appointed areas. Every detail is handled with care by our dedicated team.

Features include:

- Indoor and outdoor ceremony spaces, tailored to your preferences
- Curated photography locations, including woodland backdrops
- Reception capacity for 50 to 300 guests with exclusive access to the Garden Terrace
- Elegant private dining rooms for pre- and post-wedding celebrations
- A relaxed Garden Terrace ideal for welcome events or morning-after gatherings

Rooms & Suites

As the evening draws to a close, you and your guests can retreat to one of our tastefully appointed rooms and suites. All 129 bedrooms blend the traditional character of the estate with modern comfort, offering a restful and refined stay.
